Rae, I'm pretty sure this text below will meet the county requirements:

At the monthly meeting of the ACWD Board of Directors on December 12, 2023, I announced to the participants that this would be my final meeting: I resigned my position as a director as of that evening. However, I forgot that I 'd need to submit a printed document as well, for county records. So here is that document:

At 8 p.m. on December 12, 2023, I resigned my position as a director on the Alleghany County Water Board.
